Notice Close Date

BV-036-17-04  
Control Number

Streambank Stabilization – Unnamed Tributary to Uchee Creek  
(307 Blackfoot Court, Evans, GA 30809)  
Activity

This notice is issued to inform the public of a receipt of an application for a variance submitted pursuant to a state environmental Law. The public is invited to comment during the 30-day period on the proposed activity. Site plans are immediately available for review and are located in the following EPD office: Watershed Protection Branch, 200 Piedmont Avenue SW, Suite 418 West, Atlanta, GA 30334. Please contact Ms. Jarell Singleton at (404) 463-2382 or email [jarell.singleton@dnr.ga.gov](mailto:jarell.singleton@dnr.ga.gov) to schedule an appointment to review the plans. Since the EPD has no authority to zone property or determine land use, only those comments addressing environmental issues related to air, water, and land protection will be considered in the application review process. Written comments should be submitted to: Program Manager, NonPoint Source Program, Erosion and Sedimentation Control, 2 Martin Luther King Jr. Drive SW, Suite 1462 East, Atlanta, GA 30334.

Type of Permit Application: Variance to encroach within the 25-foot State waters buffer.

Applicable Law: Georgia Erosion and Sedimentation Act O.C.G.A. 12-7-1 et seq.

Applicable Rules: Erosion and Sedimentation Control Chapter 391-3-7

Basis under which variance shall be considered {391-3-7-.11 (2)(a-k)}: (a)

Description and Location of Proposed Activity:

The proposed streambank stabilization project will consist of grading the eroding streambanks to a more stable slope (3H:1V) and soil bioengineering practices (including staked toe protection rolls with herbaceous plugs, live stake cuttings and native riparian grasses and shrubs) along an unnamed intermittent stream at a residential property on Blackfoot Court in Columbia County. This project will result 56 linear feet (3,291 square feet) of buffer disturbances along an unnamed intermittent stream, tributary to Uchee Creek in the Middle Savannah Watershed.

Name and Address of Permit Applicant:

Mr. James Gonyea  
307 Blackfoot Court  
Evans, GA 30809

Summary of Rules Requirements for Variance Application:

The application for a variance must include an approved Erosion and Sediment Control Plan with control measures based on sound conservation and engineering practices which meet or exceed the standards in the "Manual for Erosion and Sediment Control in Georgia" and which will minimize erosion and deposition of sediments on adjacent lands or into State waters.
