PUBLIC NOTICE
WATERSHED PROTECTION BRANCH

July 7, 2017
Notice Issue Date

Peachtree City / Fayette County
City / County

August 7, 2017
Notice Close Date

BV-056-17-05
Control Number

Peachtree City Engineering Department
Lake Peachtree Dam and Spillway - Category II Dam
Activity

This notice is issued to inform the public of a receipt of an application for a variance submitted pursuant to a state environmental Law. The public is invited to comment during the 30-day period on the proposed activity. Site plans are immediately available for review and are located in the following EPD office: Watershed Protection Branch, 200 Piedmont Avenue SW, Suite 418 West, Atlanta, GA 30334. Please contact Ms. Jarell Singleton at (404) 463-2382 or email jarell.singleton@dnr.ga.gov to schedule an appointment to review the plans. Since the EPD has no authority to zone property or determine land use, only those comments addressing environmental issues related to air, water, and land protection will be considered in the application review process. Written comments should be submitted to: Program Manager, NonPoint Source Program, Erosion and Sedimentation Control, 2 Martin Luther King Jr. Drive SW, Suite 1462 East, Atlanta, GA 30334.

Type of Permit Application: Variance to encroach within the 25-foot State waters buffer.

Applicable Law: Georgia Erosion and Sedimentation Act O.C.G.A. 12-7-1 et seq.

Applicable Rules: Erosion and Sedimentation Control Chapter 391-3-7

Basis under which variance shall be considered {391-3-7-.11 (2)(a-k)}: (a)

Description and Location of Proposed Activity:

The proposed project involves the construction of a new principal spillway (i.e., Piano Key (PK) weir with splash pad and riprap apron) and a concrete parapet wall along Lake Peachtree (Category II Dam) upstream of Kelly Drive / McIntosh Trail in Peachtree City. The buffer vegetation will be restored to current existing conditions to the extent practicable. Activities will result in buffer impacts to approximately 1,030 linear feet total (21,883 square feet total) along Lake Peachtree (tributary to Flat Creek) in the Upper Flint Watershed in Fayette County.

Name and Address of Permit Applicant:

David A. Borkowski, P.E., M. ASCE
City Engineer
Peachtree City Engineering Department
153 Willowbend Road
Peachtree City, GA 30269

Summary of Rules Requirements for Variance Application:

The application for a variance must include an approved Erosion and Sediment Control Plan with control measures based on sound conservation and engineering practices which meet or exceed the standards in the "Manual for Erosion and Sediment Control in Georgia" and which will minimize erosion and deposition of sediments on adjacent lands or into State waters.
