Activity

This notice is issued to inform the public of a receipt of an application for a variance submitted pursuant to a state environmental Law. The public is invited to comment during the 30-day period on the proposed activity. Site plans are available for review and are located in the following EPD office: Watershed Protection Branch, 200 Piedmont Avenue SW, Suite 418 West, Atlanta, GA 30334. Please contact Ms. Thais Edwards at (404) 463-2382 or email [thais.edwards@dnr.ga.gov](mailto:thais.edwards@dnr.ga.gov) to schedule an appointment to review the plans. Since the EPD has no authority to zone property or determine land use, only those comments addressing environmental issues related to air, water, and land protection will be considered in the application review process. Written comments should be submitted to: Program Manager, NonPoint Source Program, Erosion and Sedimentation Control, 2 Martin Luther King Jr. Drive SW, Suite 1462 East, Atlanta, GA 30334.

Type of Permit Application: Variance to encroach within the 25-foot State waters buffer.

Applicable Law: Georgia Erosion and Sedimentation Act O.C.G.A. 12-7-1 et seq.

Applicable Rules: Erosion and Sedimentation Control Chapter 391-3-7

Basis under which variance shall be considered {391-3-7-.11 (2)(a-k)}: (h)

Description and Location of Proposed Activity:

The proposed project will consist of constructing a new mixed-use commercial and multi-family residential development and associated infrastructure on approximately 76.1 acres along Peachtree Parkway and Brookwood Road in Forsyth County. This project will include an on-site stormwater management system (including a stormwater pond, porous asphalt (without underdrain), underground detention systems, hydrodynamic separators and a natural conservation area). Construction activities will result in permanent buffer impacts to 43 linear feet (2,150 square feet) of an unnamed intermittent stream, a tributary to Caney Creek in the Upper Chattahoochee Watershed.

Name and Address of Permit Applicant: Greer Scoggins, Vice President of Development  
Fuqua Development, LP  
Fifteen Piedmont Center  
3575 Piedmont Road NE, Suite 800  
Atlanta, GA 30305

Summary of Rules Requirements for Variance Application:

The application for a variance must include an approved Erosion and Sediment Control Plan with control measures based on sound conservation and engineering practices which meet or exceed the standards in the "Manual for Erosion and Sediment Control in Georgia" and which will minimize erosion and deposition of sediments on adjacent lands or into State waters.
