PUBLIC NOTICE
WATERSHED PROTECTION BRANCH

March 30, 2018
Notice Issue Date

Atlanta / Fulton County
City / County

April 30, 2018
Notice Close Date

BV-060-17-24
Control Number

Bobby Jones Golf Course / Bitsy Grant Tennis Center – Redevelopment
(Woodward Way NW – Northside Drive NW, Atlanta, GA 30309)

Activity

This notice is issued to inform the public of a receipt of an application for a variance submitted pursuant to a state environmental Law. The public is invited to comment during the 30-day period on the proposed activity. Site plans are available for review and are located in the following EPD office: Watershed Protection Branch, 200 Piedmont Avenue SW, Suite 418 West, Atlanta, GA 30334. Please contact Ms. Thais Edwards at (404) 463-2382 or email thais.edwards@dnr.ga.gov to schedule an appointment to review the plans. Since the EPD has no authority to zone property or determine land use, only those comments addressing environmental issues related to air, water, and land protection will be considered in the application review process. Written comments should be submitted to: Program Manager, NonPoint Source Program, Erosion and Sedimentation Control, 2 Martin Luther King Jr. Drive SW, Suite 1462 East, Atlanta, GA 30334.

Type of Permit Application: Variance to encroach within the 25-foot State waters buffer.

Applicable Law: Georgia Erosion and Sedimentation Act O.C.G.A. 12-7-1 et seq.

Applicable Rules: Erosion and Sedimentation Control Chapter 391-3-7

Basis under which variance shall be considered {391-3-7-.05 (2)(a-k)}: (a) and (f)

Description and Location of Proposed Activity:

The proposed redevelopment project will consist of constructing a new golf course and clubhouse facilities (including the associated golf cart paths and golf course turf) along Woodward Way in Atlanta. The proposed streambank stabilization and restoration plans consist of grading the eroding streambanks to a more stable slope (maximum 3H:1V) and revegetation with Meyer Zoysiagrass. The proposed project will result in approximately 5,445 linear feet total (93,531 square feet total) of buffer impacts along Tanyard Branch, Peachtree Creek and an unnamed perennial stream (tributary to Peachtree Creek) in the Upper Chattahoochee Watershed.

Name and Address of Permit Applicant: Steven L. Stancil, State Property Officer
Executive Director, Georgia Building Authority
1 Martin Luther King Jr. Drive
Atlanta, GA 30334

Summary of Rules Requirements for Variance Application:

The application for a variance must include an approved Erosion and Sediment Control Plan with control measures based on sound conservation and engineering practices which meet or exceed the standards in the "Manual for Erosion and Sediment Control in Georgia" and which will minimize erosion and deposition of sediments on adjacent lands or into State waters.
