PI #0011430  
SR 103 Passing Lane  
Activity

This notice is issued to inform the public of a receipt of an Application for a variance submitted pursuant to a state environmental law. The public is invited to comment during the 30-day period on the proposed activity. Site Plans are immediately available for review and are located in the following EPD office: Watershed Protection Branch 200 Piedmont Avenue, S.W. Suite 418 West Atlanta, Georgia 30334. Please contact Ms. Jarell Singleton at (404) 463-2382 or e-mail [jarell.singleton@dnr.ga.gov](mailto:jarell.singleton@dnr.ga.gov) to schedule an appointment to review the plans. Since the EPD has no authority to zone property or determine land use, only those comments addressing environmental issues related to air, water, and land protection will be considered in the application review process. Written comments should be submitted to: Program Manager, NonPoint Source Program, Erosion and Sedimentation Control, 2 MLK Jr., Dr., SW Suite 1462 East, Atlanta, Georgia 30334.

Type of Permit Application: Variance to encroach within the 25-foot State waters buffer.

Applicable Law: Georgia Erosion and Sedimentation Act O.C.G.A. 12-7-1 et seq.

Applicable Rules: Erosion and Sedimentation Control Chapter 391-3-7

Basis under which variance shall be considered {391-3-7.05 (2) (a-k)}: Criteria 2 (h)

Description and Location of Proposed Activity:

Application proposes to impact 780 linear feet (24,864 square feet) buffers to intermittent stream 2 (unnamed tributary to Lake Harding ) within Middle Chattahoochee-Lake Harden watershed for the. Disturbance activities will consist of clearing, placement of fill, new road embankment, installation of orange barrier fence and type C silt fence, installation of stormwater drainage outfall and placement of rip rap within the buffer. This project to install a passing lane on State Route 103 for slower moving traffic located in Harris County, Georgia. The project can be accessed from Atlanta via Interstate 85 (I-85) southbound to Exit 2. Turn left onto Sr18 eastbound and proceed approximately 1500 feet to SR 103. Turn right onto SR 103 and proceed 4,000 feet to project end. Proceed an additional 1.45 miles to the project beginning.

Name and Address of Permit Applicant:

Mr. Eric Duff  
Georgia Department of Transportation  
Office of Environmental Services  
600 W. Peachtree Street, NW, 16<sup>th</sup> Floor  
Atlanta, Georgia 30308

Summary of Rules Requirements for Variance Application:

The application for a variance must include an approved Erosion and Sediment Control Plan with control measures based on sound conservation and engineering practices which meet or exceed the standards in the "Manual for Erosion and Sediment Control in Georgia" and which will minimize erosion and deposition of sediments on adjacent lands or into State waters.
