City/County

August 14, 2017
Notice Close Date

BV-076-17-01
Control Number

Big Indian Creek Streambank Stabilization
Activity

This notice is issued to inform the public of a receipt of an Application for a variance submitted pursuant to a state environmental Law. The public is invited to comment during the 30-day period on the proposed activity. Site Plans are immediately available for review and are located in the following EPD office: Watershed Protection Branch 200 Piedmont Avenue, S.W. Suite 418 West Atlanta, Georgia 30334. Please contact Ms. Jarell Singleton at (404) 463-2382 or e-mail jarell.singleton@dnr.ga.gov to schedule an appointment to review the plans. Since the EPD has no authority to zone property or determine land use, only those comments addressing environmental issues related to air, water, and land protection will be considered in the application review process. Written comments should be submitted to: Program Manager, NonPoint Source Program, Erosion and Sedimentation Control, 2 MLK Jr., Dr., SW Suite 1462 East, Atlanta, Georgia 30334

Type of Permit Application: Variance to encroach within the 25-foot State waters buffer.

Applicable Law: Georgia Erosion and Sedimentation Act O.C.G.A. 12-7-1 et seq.

Applicable Rules: Erosion and Sedimentation Control Chapter 391-3-7

Basis under which variance shall be considered {391-3-7.05 (2)(A-K)}: A

Description and Location of Proposed Activity:

Applicant proposes to impact a total of a total of 1,353 linear feet (33,787 ft²) of stream buffer in four different areas along Big Indian Creek to stabilize the streambanks to prevent additional exposure of the existing water and sewer lines as well as protect the maintenance access road within the easement. The areas will be stabilized with either Armorflex, an interlocking matrix of cellular concrete blocks of uniform size, shape, and weight used for hard armor erosion control, or rip rap. Upon completion of land-disturbance, the stream buffer will be re-vegetated with native riparian species. The project is located within the Evergreen Cemetery on Main Street.

Name and Address of Permit Applicant: Mr. Lee Gilmour
City of Perry
P.O. Box 2030
Perry, Georgia 31069

Summary of Rules Requirements for Variance Application:

The application for a variance must include an Erosion and Sediment Control Plan with control measures based on sound conservation and engineering practices which meet or exceed the standards in the "Manual for Erosion and Sediment Control in Georgia" and which will minimize erosion and deposition of sediments on adjacent lands or into State waters.
