February 15, 2018
Notice Issue Date

Newton County
City/County

March 19, 2018
Notice Close Date

BV-107-17-03
Control Number

Bailey Pond/Breached Dam Spillway Improvements
Activity

This notice is issued to inform the public of a receipt of an Application for a variance submitted pursuant to a state environmental Law. The public is invited to comment during the 30-day period on the proposed activity. Site Plans are available for review and are located in the following EPD office: Watershed Protection Branch 200 Piedmont Avenue, S.W. Suite 418 West Atlanta, Georgia 30334. Please contact Ms. Thais Edwards at (404) 463-2382 or e-mail Thais.edwards@dnr.ga.gov to schedule an appointment to review the plans. Since the EPD has no authority to zone property or determine land use, only those comments addressing environmental issues related to air, water, and land protection will be considered in the application review process. Written comments should be submitted to: Program Manager, NonPoint Source Program, Erosion and Sedimentation Control, 2 MLK Jr., Dr., SW Suite 1462 East, Atlanta, Georgia 30334

Type of Permit Application: Variance to encroach within the 25-foot State waters buffer.

Applicable Law: Georgia Erosion and Sedimentation Act O.C.G.A. 12-7-1 et seq.

Applicable Rules: Erosion and Sedimentation Control Chapter 391-3-7

Basis under which variance shall be considered {391-3-7.05 (2)(A-K)}: A

Description and Location of Proposed Activity:

The applicant proposes to impact a total of 221 linear feet (9,529 ft²) of stream buffer along an impoundment (Bailey Lake) that flows into Wildcat Creek to repair an eroded spillway on a breached dam. The side slopes will be re-graded, seeded, matted and planted with willow stakes; the bottom of the spillway will be stabilized with stone riprap. The pond dam has been breached for several years and will remain so after stabilization of the spillway. Project is located on Bailey Dr. off GA Hwy. 81.

Name and Address of Permit Applicant: Mr. Wendell McNeal
Great Western Holdings, Inc.
P.O. Box 81123
Conyers, Georgia 30013

Summary of Rules Requirements for Variance Application:

The application for a variance must include an Erosion and Sediment Control Plan with control measures based on sound conservation and engineering practices which meet or exceed the standards in the "Manual for Erosion and Sediment Control in Georgia" and which will minimize erosion and deposition of sediments on adjacent lands or into State waters.
