

August 26, 2019

Mr. Sean Taylor, Program Manager  
Georgia EPD – Air Protection Branch  
Stationary Source Compliance Program  
4244 International Parkway, Suite 120  
Atlanta, Georgia 30354

Subject: **Notification: Construction Commencement and Schedule for emission reduction project**

Dear Mr. Taylor

In accordance with Order Number EPD-AQC-6980, Sterigenics is providing notification of construction commencement of the emission reduction project for the Sterigenics Atlanta facility located at 2971 Olympic Industrial Drive, Suite 116, in Atlanta, Georgia.

Construction will start on the emission reduction project on Monday August 26 (Condition 1).

In addition, please find a construction schedule attached.

Please contact me at [lhartman@sterigenics.com](mailto:lhartman@sterigenics.com) or 630-928-1724, if you have any questions or need any additional information.

Warm Regards

A handwritten signature in blue ink that reads "Laura Hartman".
