

SWTF Grant Administration Portal Questions Log	
Question	Answer
I tried to create a profile and it said my email was already registered to a user. Is this just because the portal is closed?	Existing awardees of the FY23 and FY24 grant cycles for the Recycling and Waste Diversion (RWD) and Tire Products (Tire) Grants have had profiles created using the email address for the primary contact. To access, the primary contact must select the "forgot password" feature, which will send a password reset link to the email of the primary contact. If you would like to change the email address that is associated with the account, please reach out to <a href="mailto:swtf.grant@dnr.ga.gov">swtf.grant@dnr.ga.gov</a> .
If I missed the webinar, will the recording be available online?	Yes, the presentation was recorded. The video, along with guidance documents, are available on EPD's website at: <a href="https://epd.georgia.gov/about-us/land-protection-branch/recovered-materials-and-abatement/recovered-materials/swtf-grant">https://epd.georgia.gov/about-us/land-protection-branch/recovered-materials-and-abatement/recovered-materials/swtf-grant</a>
