Dear Mr. Wallens and Mr. Boroughs:

The Georgia Environmental Protection Division (EPD) has not received any Progress Reports since September 2012 for the above referenced site nor payment of overdue invoices for EPD's review of documents. Therefore, pursuant to 12-8-107(d)(1) of the Georgia Voluntary Remediation Program Act, I am terminating the enrollment of the B&L Discount Auto Repair property in the Voluntary Remediation Program.

Should you have any questions regarding this matter, please contact my staff, Mr. Yue Han, at 404-657-8678.

Sincerely,

Derrick Williams  
Program Manager  
Response and Remediation Program
