Dear Sir/Madam

Please accept this letter as formal request for withdrawal of the subject Site from the State of Georgia Voluntary Remediation Program (VRP). The VRP is no longer the best regulatory vehicle under which to continue with further assessment and remediation of this Site.

Should you have any questions concerning this matter, please feel free to contact Mr. Bill Harris, our environmental consultant, via phone at 404 626 2990 or via e mail at wharris@aol.com.

Thank you for your patience as we move forward with the continued assessment and remediation of this Site.

Best Regards,
