**Re: Request for Air Toxics Ambient Impact Assessment: CONMED Corporation –
Lithia Springs, Georgia**

Dear Mr. Taylor:

I am writing in response to your request of August 10, 2020, on behalf of the Georgia Department of Natural Resources, Environmental Protection Division ("EPD"), for a detailed Air Toxics Ambient Impact Assessment regarding the ConMed Corporation ("ConMed") distribution center in Lithia Springs, Georgia. ConMed hereby submits the enclosed Ethylene Oxide Ambient Impact Assessment Report ("Report"), together with attachments, in conformance with your request and the current Georgia Guideline for Ambient Impact Assessment for Toxic Air Pollutants.

With the submission of the enclosed Report, ConMed requests a meeting with the EPD to discuss the remaining requests included in your letter of August 10. To allow EPD an opportunity to review the enclosed Report, ConMed proposes to hold a meeting the week of October 19, 2020.

Please contact me if you have any questions regarding the enclosed Report.

Very truly yours,
