To Whom It May Concern

Twin Pines Minerals has requested this letter confirming that their proposed mining operation is consistent with the land use in the area. Charlton County currently has no zoning regulations that would prohibit the proposed mining operation. At the Charlton County's August 15<sup>th</sup>, 2019 regular scheduled meeting the Board of Commissioners unanimously approved a proclamation supporting Twin Pines Minerals proposed mining operation. The resolution has been included with this letter.

Sincerely,

Hampton Raulerson  
County Administrator  
Charlton County  
68 Kingsland Drive, Suite B  
Folkston, GA 31537

**BOARD OF COMMISSIONERS  
CHARLTON COUNTY, GEORGIA  
PROCLAMATION OF SUPPORT OF  
TWIN PINE MATERIALS, LLC**

WHEREAS, the Charlton County Board of Commissioners is the governing authority of Charlton County, Georgia;

WHEREAS, economic development and quality, high-paying jobs are of vital importance to all local governments;

WHEREAS, the proposed heavy metal mining operation of Twin Pine Materials, LLC will result in approximately one hundred fifty (150) local high-paying jobs with benefits in Charlton County;

WHEREAS, the proposed capital investment of Twin Pine Minerals, LLC will result in substantial yearly tax revenue to the County;

WHEREAS, the estimated tax revenue from Twin Pine Minerals, LLC will allow Charlton County, Georgia to increase the level of service it provides to its citizens;

WHEREAS, the Charlton County Board of Commissioners finds and determines that the proposed operation of Twin Pine Minerals within Charlton County will result in economic development that is beneficial to all of Charlton County;

NOW, THEREFORE, the Charlton County Board of Commissioners, subject to approval by any other authority having jurisdiction, hereby proclaims and expresses support of Twin Pine Minerals, LLC proposed heavy mineral sand mining.

This 15<sup>th</sup> day of August 2019.

  
James E. Everett, Chairman  
Charlton County Board of Commissioners
