

Registering New UST Facilities

1. The owner of a new UST installation should submit a **7530 Notification Form** to EPD via mail or email (see below). In order for the form to be processed and a Facility ID assigned, it must be certified by the installer and signed by the owner.
2. If all submitted information is correct, the owner can register his/her facility within 10 business days of submittal. Guidance for creating a GEOS account and completing **Annual Tank Registration** can be found here: <https://epd.georgia.gov/underground-storage-tank-annual-tank-registration-instructions>
3. Owners must have installation and compliance records listed on the **Checklist for New UST Installations** form. These records should be available for review at the time of the site inspection.
4. An inspection will occur within 2 months of Facility ID issuance.
