MEMORANDUM

TO: All Interested Parties

FROM: Georgia Environmental Protection Division, Watershed Protection Branch

RE: Change of Address and Telephone Numbers, Tradeport Offices of Watershed Protection Branch

All Watershed Protection Branch offices currently located at the Tradeport Office Buildings at 4220 and 4244 International Parkway, Atlanta, Georgia 30354 near Atlanta Hartsfield-Jackson International Airport will be moving to the Twin Towers (Floyd Building) and the State Agriculture Building in downtown Atlanta near the State Capitol Building.

The Construction Management Unit, which oversees construction projects financed by the Georgia Environmental Finance Authority, will be moving from the Tradeport to the offices of the Georgia Environmental Finance Authority (GEFA) located at Peachtree Center in downtown Atlanta.

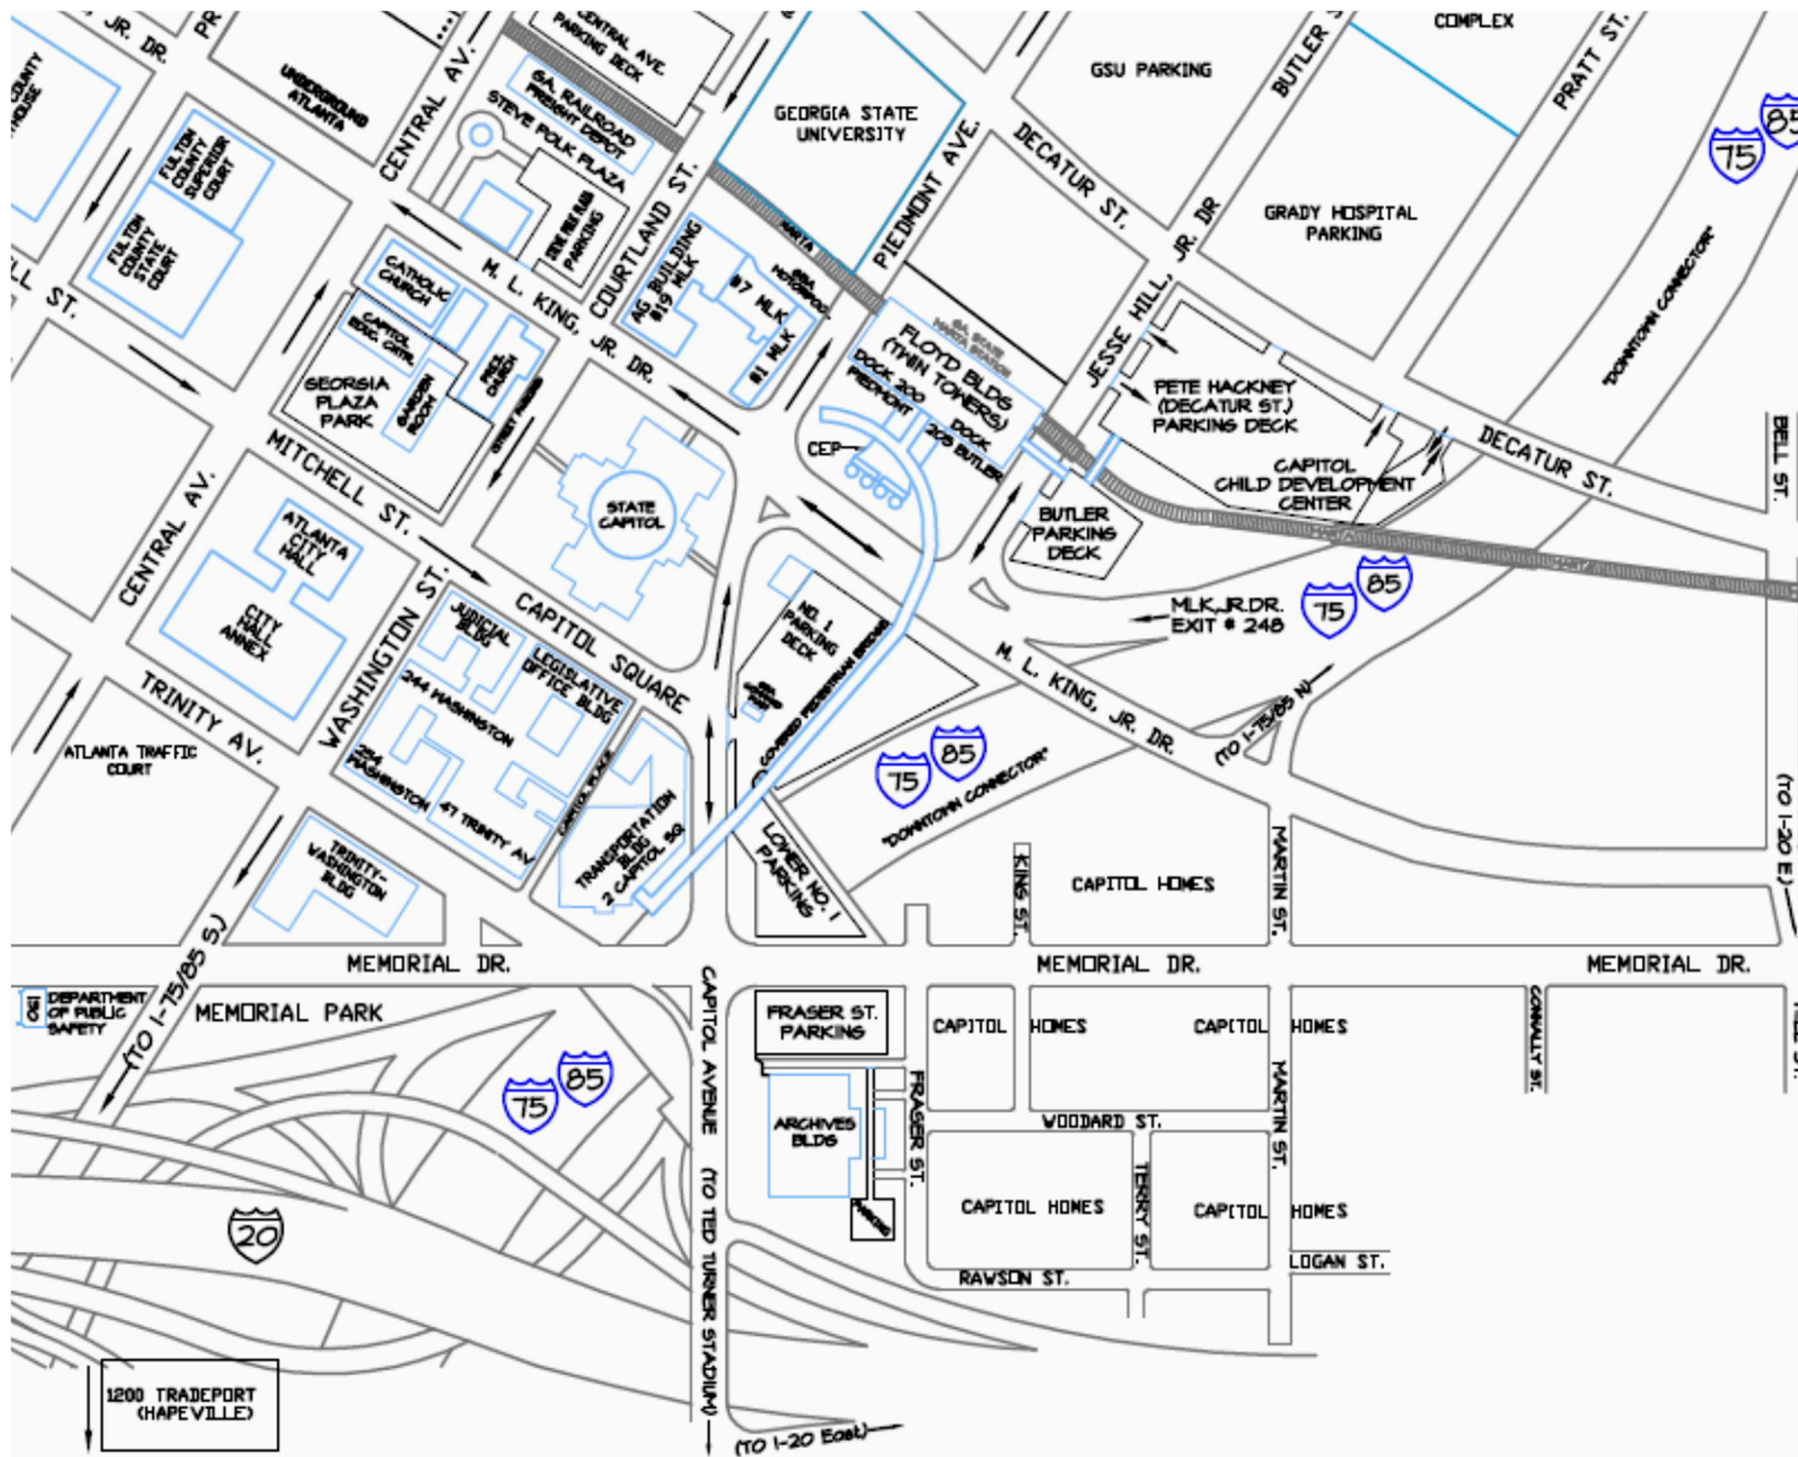

The attached table lists each office's new mailing address, their physical location, and move date. A final date has not been set for moving the Construction Management Unit to GEFA, but that move should occur by no later than February 21, 2014.

Beginning on the move dates shown in the attached table, please send all correspondence to the new address. All forms used for reporting information to the Watershed Protection Branch currently posted on EPD's website will be updated with these new addresses.

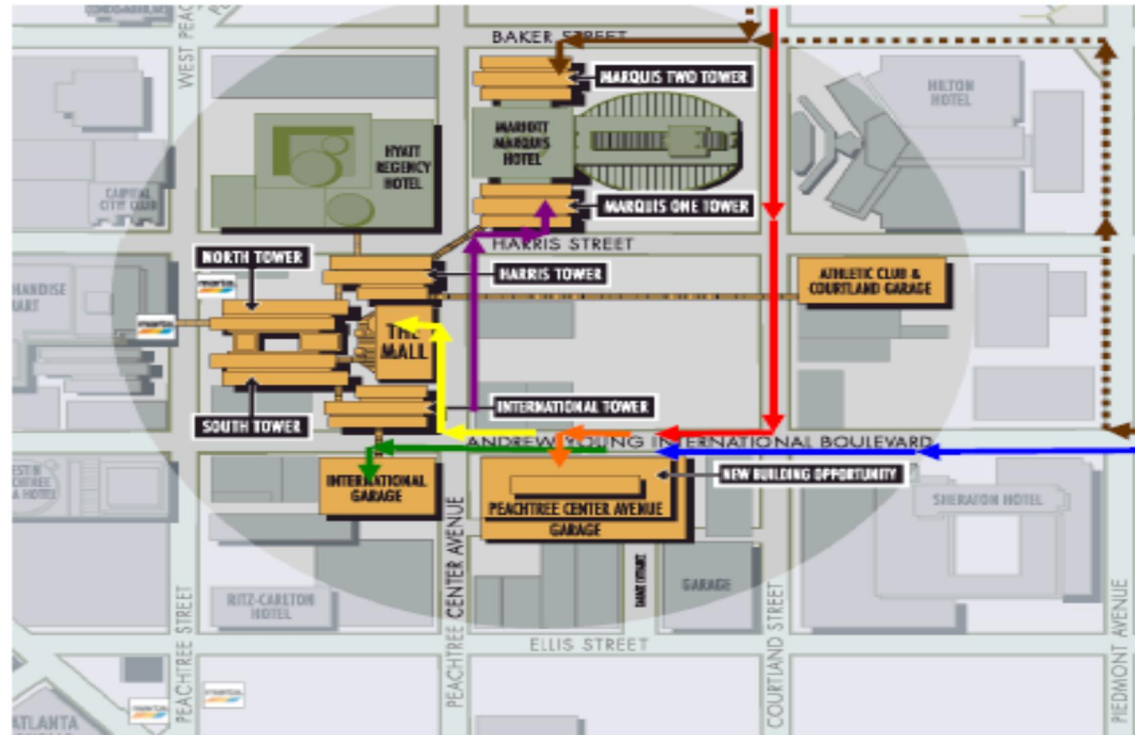

A map showing the location of the Agriculture Building and Twin Towers is attached which may also be viewed by visiting the Georgia Building Authority website at http://gba.georgia.gov/sites/gba.georgia.gov/files/imported/vgn/images/portal/cit_1210/7/29/75550752Hill%20Map.pdf. A map showing the location of GEFA's offices in the Harris Tower at Peachtree Center is also attached, which may be viewed by visiting GEFA's website at <http://gefa.georgia.gov/contact-information>.

All employees moving from the Tradeport will receive new telephone numbers when they move. Please visit EPD's website at http://gaepd.org/Documents/wpb_phonelist.pdf or GEFA's website at <http://gefa.georgia.gov/contact-information> on and after the move dates listed in the attached table for new telephone numbers, including telephone numbers for reporting spills or other emergency conditions to EPD.
