Re: Modified Hazardous Waste Permit
Hercules LLC/Pinova, Inc.
Permit HW-052(D&S)-2
EPA ID No: GAD 004065520

Dear Mr. Hassett and Mr. Kurtz:

Enclosed is the modified Closure and Post Closure Care Permit Number HW-052(D&S)-2 issued to Hercules LLC/Pinova, Inc., Brunswick, Georgia, EPA I.D. No. GAD 004065520.

During the public comment period, which ended November 1, 2022, the Georgia Environmental Protection Division (EPD) received comments from five individuals via two emails, one letter, and oral comments from three individuals during the public hearing on October 20, 2022. EPD's response to these comments is attached. The Permit is effective immediately; however, it is subject to appeal for thirty (30) days pursuant to the Georgia Rules for Hazardous Waste Management Chapter 391-3-11-.11(4)(f).

Should you have any questions or concerns, please contact James Sliwinski, of my staff, at (404) 656-7802.

Sincerely,

Richard E. Dunn
Director
