PUBLIC NOTICE
WATERSHED PROTECTION BRANCH

November 2, 2018
Notice Issue Date

Carrollton / Carroll County
City / County

December 3, 2018
Notice Close Date

BV-022-18-01
Control Number

Carrollton City Schools – Buffalo Creek Streambank Stabilization
(Ben Scott Boulevard – North Allison Circle, Carrollton, GA 30117)
Activity

This notice is issued to inform the public of a receipt of an application for a variance submitted pursuant to a state environmental Law. The public is invited to comment during the 30-day period on the proposed activity. Site plans are available for review and are located in the following EPD office: Watershed Protection Branch, 200 Piedmont Avenue SW, Suite 418 West, Atlanta, GA 30334. Please contact Ms. Thais Edwards at (404) 463-2382 or email thais.edwards@dnr.ga.gov to schedule an appointment to review the plans. Since the EPD has no authority to zone property or determine land use, only those comments addressing environmental issues related to air, water, and land protection will be considered in the application review process. Written comments should be submitted to: Program Manager, NonPoint Source Program, Erosion and Sedimentation Control, 2 Martin Luther King Jr. Drive SW, Suite 1462 East, Atlanta, GA 30334.

Type of Permit Application: Variance to encroach within the 25-foot State waters buffer.

Applicable Law: Georgia Erosion and Sedimentation Act O.C.G.A. 12-7-1 et seq.

Applicable Rules: Erosion and Sedimentation Control Chapter 391-3-7

Basis under which variance shall be considered {391-3-7-.05 (2)(a-k)}: (a)

Description and Location of Proposed Activity:

The proposed streambank stabilization project will consist of grading the eroding streambanks to a more stable slope (1.5H:1V – 2H:1V) and integrated bio-engineering practices (including riprap boulder toe protection and joint plantings with Silky Dogwood, Swamp Dogwood and/or Buttonbush live stake cuttings) along Buffalo Creek between Ben Scott Boulevard and North Allison Circle in Carrollton. The proposed streambank stabilization project will result in approximately 593 linear feet total (15,561 square feet total) of buffer disturbances along Buffalo Creek in the Upper Tallapoosa Watershed.

Name and Address of Permit Applicant: Tommy J. Holland, P.E.
City Engineer, City of Carrollton
315 Bradley Street
Carrollton, GA 30117

Summary of Rules Requirements for Variance Application:

The application for a variance must include an approved Erosion and Sediment Control Plan with control measures based on sound conservation and engineering practices which meet or exceed the standards in the "Manual for Erosion and Sediment Control in Georgia" and which will minimize erosion and deposition of sediments on adjacent lands or into State waters.
