Notice Issue Date

Cherokee County
City/County

May 23, 2016
Notice Close Date

BV-028-15-08
Control Number

Riverbend Environmental Complex-Airport #1 Lift Station Force Main Construction
Activity

This notice is issued to inform the public of a receipt of an Application for a variance submitted pursuant to a state environmental Law. The public is invited to comment during the 30-day period on the proposed activity. Site Plans are immediately available for review and are located in the following EPD office: Watershed Protection Branch 200 Piedmont Avenue, S.W. Suite 418 West Atlanta, Georgia 30334. Please contact Ms. Thais Edwards at (404) 463-2387 or e-mail thais.edwards@dnr.ga.gov to schedule an appointment to review the plans. Since the EPD has no authority to zone property or determine land use, only those comments addressing environmental issues related to air, water, and land protection will be considered in the application review process. Written comments should be submitted to: Program Manager, NonPoint Source Program, Erosion and Sedimentation Control, 2 MLK Jr., Dr., SW Suite 1462 East, Atlanta, Georgia 30334

Type of Permit Application: Variance to encroach within the 25-foot State waters buffer.

Applicable Law: Georgia Erosion and Sedimentation Act O.C.G.A. 12-7-1 et seq.

Applicable Rules: Erosion and Sedimentation Control Chapter 391-3-7

Basis under which variance shall be considered {391-3-7.05 (2)(A-J)}: D

Description and Location of Proposed Activity:

Applicant proposes to impact a total of 619 linear feet (20,572 ft²) of stream buffer in along an unnamed tributary of the Etowah River in four separate areas to install a new 10-inch diameter sanitary sewer force main from Cherokee County Water and Sewerage Authority existing Airport No. 1 Lift Station to the new Riverbend Water Reclamation Facility. The new force main will be installed in an existing 20-foot wide sanitary sewer easement. Project begins at unnamed dirt driveway just south of Faulkner Lane.

Name and Address of Permit Applicant: Mr. Dan Carson
Cherokee County Water and Sewerage Authority
140 West Main St.
Canton, Georgia 30114

Summary of Rules Requirements for Variance Application:

The application for a variance must include an Erosion and Sediment Control Plan with control measures based on sound conservation and engineering practices which meet or exceed the standards in the "Manual for Erosion and Sediment Control in Georgia" and which will minimize erosion and deposition of sediments on adjacent lands or into State waters.
