Notice Issue Date

City of Douglasville  
City/County

February 11, 2019  
Notice Close Date

BV-048-18-03  
Control Number

Eric Lane Streambank Stabilization/Parker Residence  
Activity

This notice is issued to inform the public of a receipt of an Application for a variance submitted pursuant to a state environmental Law. The public is invited to comment during the 30-day period on the proposed activity. Site Plans are available for review and are located in the following EPD office: Watershed Protection Branch 200 Piedmont Avenue, S.W. Suite 418 West Atlanta, Georgia 30334. Please contact Ms. Clara Davis at (404) 463-2382 or e-mail [clara.davis@dnr.ga.gov](mailto:clara.davis@dnr.ga.gov) to schedule an appointment to review the plans. Since the EPD has no authority to zone property or determine land use, only those comments addressing environmental issues related to air, water, and land protection will be considered in the application review process. Written comments should be submitted to: Program Manager, NonPoint Source Program, Erosion and Sedimentation Control, 2 MLK Jr., Dr., SW Suite 1462 East, Atlanta, Georgia 30334

Type of Permit Application: Variance to encroach within the 25-foot State waters buffer.

Applicable Law: Georgia Erosion and Sedimentation Act O.C.G.A. 12-7-1 et seq.

Applicable Rules: Erosion and Sedimentation Control Chapter 391-3-7

Basis under which variance shall be considered {391-3-7.05 (2)(A-K)}:   A  

Description and Location of Proposed Activity:

The applicant proposes to impact a total of 83.6 linear feet (1,469 ft<sup>2</sup>) of stream buffer along an unnamed tributary to Little Anneewakee Creek to perform streambank stabilization measures in conjunction with sediment removal from the creek. The applicant proposes to grade and install riprap on the north side of the streambank for stabilization due to the proximity of a culvert and high velocity flows. After completion of land-disturbance, the buffer will be re-planted with a canopy of native riparian vegetation. Location of project is 2465 Eric Lane.

Name and Address of Permit Applicant: Ms. Chrystanthemum Parker  
2465 Eric Lane  
Douglasville, Georgia 30135

Summary of Rules Requirements for Variance Application:

The application for a variance must include an Erosion and Sediment Control Plan with control measures based on sound conservation and engineering practices which meet or exceed the standards in the "Manual for Erosion and Sediment Control in Georgia" and which will minimize erosion and deposition of sediments on adjacent lands or into State waters.
