Notice Close Date

BV-060-15-18  
Control Number

Arlington Cemetery - Stormwater Detention Ponds – Rehabilitation Project  
(Land Lot 124, 17<sup>th</sup> District, Sandy Springs, GA)  
Activity

This notice is issued to inform the public of a receipt of an application for a variance submitted pursuant to a state environmental Law. The public is invited to comment during the 30-day period on the proposed activity. Site plans are immediately available for review and are located in the following EPD office: Watershed Protection Branch, 200 Piedmont Avenue SW, Suite 418 West, Atlanta, GA 30334. Please contact Ms. Thais Edwards at (404) 463-2387 or email [thais.edwards@dnr.ga.gov](mailto:thais.edwards@dnr.ga.gov) to schedule an appointment to review the plans. Since the EPD has no authority to zone property or determine land use, only those comments addressing environmental issues related to air, water, and land protection will be considered in the application review process. Written comments should be submitted to: Program Manager, NonPoint Source Program, Erosion and Sedimentation Control, 2 Martin Luther King Jr. Drive SW, Suite 1462 East, Atlanta, GA 30334.

Type of Permit Application: Variance to encroach within the 25-foot State waters buffer.

Applicable Law: Georgia Erosion and Sedimentation Act O.C.G.A. 12-7-1 et seq.

Applicable Rules: Erosion and Sedimentation Control Chapter 391-3-7

Basis under which variance shall be considered {391-3-7.05 (2)(a-k)}: (a)

Description and Location of Proposed Activity:

The proposed project involves the repair and maintenance of two *existing* stormwater detention ponds located in the Arlington Cemetery in Sandy Springs. This project will consist of re-grading the *existing* stormwater ponds and dams, installing *new* outlet control structures with RCP outlet pipes and *new* concrete headwalls and energy dissipators. The buffer vegetation will be restored to a naturally vegetated state to the extent practicable. Activities will result in permanent buffer impacts to 1,026 linear feet total (51,275 square feet total) along Colewood Creek and two unnamed tributaries to Colewood Creek in the *Upper Chattahoochee Watershed*.

Name and Address of Permit Applicant: Mr. Ray Wooten, Engineering Administrator  
Fulton County, Department of Public Works  
141 Pryor Street SW, Suite 6001  
Atlanta, GA 30303

Summary of Rules Requirements for Variance Application:

The application for a variance must include an approved Erosion and Sediment Control Plan with control measures based on sound conservation and engineering practices which meet or exceed the standards in the "Manual for Erosion and Sediment Control in Georgia" and which will minimize erosion and deposition of sediments on adjacent lands or into State waters.
