City/County

April 10, 2019  
Notice Close Date

BV-060-18-18  
Control Number

Global Gateway Connector-Recreational Trail & Retaining Wall Construction  
Activity

This notice is issued to inform the public of a receipt of an Application for a variance submitted pursuant to a state environmental Law. The public is invited to comment during the 30-day period on the proposed activity. Site Plans are available for review and are located in the following EPD office: Watershed Protection Branch 200 Piedmont Avenue, S.W. Suite 418 West Atlanta, Georgia 30334. Please contact Ms. Clara Davis at (404) 463-2382 or e-mail [clara.davis@dnr.ga.gov](mailto:clara.davis@dnr.ga.gov) to schedule an appointment to review the plans. Since the EPD has no authority to zone property or determine land use, only those comments addressing environmental issues related to air, water, and land protection will be considered in the application review process. Written comments should be submitted to: Program Manager, NonPoint Source Program, Erosion and Sedimentation Control, 2 MLK Jr., Dr., SW Suite 1462 East, Atlanta, Georgia 30334

Type of Permit Application: Variance to encroach within the 25-foot State waters buffer.

Applicable Law: Georgia Erosion and Sedimentation Act O.C.G.A. 12-7-1 et seq.

Applicable Rules: Erosion and Sedimentation Control Chapter 391-3-7

Basis under which variance shall be considered {391-3-7.05 (2)(A-K)}: A & F

Description and Location of Proposed Activity:

The applicant proposes to impact 191 linear feet (853 ft<sup>2</sup>) of stream buffer along an unnamed perennial stream to Camp Creek in four separate areas. Impacts include trail construction, retaining wall construction, and best-management practices. The overall purpose of the project is to construct a multi-use recreational path and pedestrian bridge across Camp Creek Parkway to connect the Georgia International Convention Center to downtown College Park. From I75/85S, take exit 72, continue on Camp Creek Pkwy. for approx. 2-mi. Global Gateway Connector is on the left.

Name and Address of Permit Applicant: Mr. Jackson Myers  
Special Projects Administrator  
City of College Park  
3667 Main St.  
College Park, Georgia 30337

Summary of Rules Requirements for Variance Application:

The application for a variance must include an Erosion and Sediment Control Plan with control measures based on sound conservation and engineering practices which meet or exceed the standards in the "Manual for Erosion and Sediment Control in Georgia" and which will minimize erosion and deposition of sediments on adjacent lands or into State waters.
