PUBLIC NOTICE
WATERSHED PROTECTION BRANCH

February 12, 2019
Notice Issue Date

Heard County
City / County

March 14, 2019
Notice Close Date

BV-074-19-01
Control Number

Bush Head Shoals – Chattahoochee River – Canoe/Kayak Launch
Activity

This notice is issued to inform the public of a receipt of an application for a variance submitted pursuant to a state environmental Law. The public is invited to comment during the 30-day period on the proposed activity. Site plans are available for review and are located in the following EPD office: Watershed Protection Branch, 200 Piedmont Avenue SW, Suite 418 West, Atlanta, GA 30334. Please contact Ms. Clara Davis at (404) 463-2382 or email clara.davis@dnr.ga.gov to schedule an appointment to review the plans. Since the EPD has no authority to zone property or determine land use, only those comments addressing environmental issues related to air, water, and land protection will be considered in the application review process. Written comments should be submitted to: Program Manager, NonPoint Source Program, Erosion and Sedimentation Control, 2 Martin Luther King Jr. Drive SW, Suite 1462 East, Atlanta, GA 30334.

Type of Permit Application: Variance to encroach within the 25-foot State waters buffer.

Applicable Law: Georgia Erosion and Sedimentation Act O.C.G.A. 12-7-1 et seq.

Applicable Rules: Erosion and Sedimentation Control Chapter 391-3-7

Basis under which variance shall be considered {391-3-7-.05 (2)(a-k)}: (a)

Description and Location of Proposed Activity:

This project will consist of constructing a concrete canoe/kayak launch along the Chattahoochee River at Bush Head Shoals in Heard County. Mitigation for the permanent buffer impacts will consist of planting multi-trophic, native riparian vegetation (including Ironwood, Green Hawthorn and Big Leaf Magnolia trees and Elderberry, Wild Hydrangea and Piedmont Azalea) along the Chattahoochee River adjacent to the proposed canoe/kayak launch. The proposed project will result in 50 linear feet total (1,250 square feet total) - 350 square feet of permanent buffer impacts (i.e., concrete canoe/kayak launch) and 900 square feet of temporary buffer impacts (i.e., buffer restoration) - along the Chattahoochee River in the *Middle Chattahoochee – Lake Harding Watershed.*

Name and Address of Permit Applicant: Brent Vendola, Deputy Chief
Office of Engineering and Construction Services
Georgia Department of Natural Resources
2 Martin Luther King Jr. Drive SW
Suite 1352 East Tower
Atlanta, GA 30334

Summary of Rules Requirements for Variance Application:

The application for a variance must include an approved Erosion and Sediment Control Plan with control measures based on sound conservation and engineering practices which meet or exceed the standards in the "Manual for Erosion and Sediment Control in Georgia" and which will minimize erosion and deposition of sediments on adjacent lands or into State waters.
