

Compliance Status Report Qualified Groundwater Scientist Certification

Description: This is a signed statement from a person certified with the State of Georgia as a Professional Engineer (P.E.) or a Professional Geologist (P.G.) ensuring that any issues or decisions related to groundwater at the site have been subject to the direction of a Georgia certified P.E. or P.G. The statement was created from the definition of a “Qualified Ground-Water Scientist” pursuant to 40 CFR Part 258. The statement reads as follows:

“I certify that I am a qualified groundwater scientist who has received a baccalaureate or post-graduate degree in the natural sciences or engineering, and have sufficient training and experience in groundwater hydrology and related fields as demonstrated by state registration and completion of accredited university courses that enable me to make sound professional judgments regarding groundwater monitoring and contaminant fate and transport. I further certify that this report was prepared by myself or by a subordinate working under my direction.”

(Signature)

(Typed Name)

(P.E. or P.G. Certification number and seal)

Common Mistakes:

- Not including this certification in the CSR
- Including the certification, but without a signature AND a seal.
