

**Notice of Availability of Stakeholder Comments on
Possible Development of Drought Management Rules
Environmental Protection Division
Watershed Protection Branch**

On July 15, 2014, the Georgia Environmental Protection Division (EPD) Watershed Protection Branch held a stakeholder meeting at the EPD Tradeport Training Room located at 4244 International Parkway, Suite 116 Atlanta GA 30354 to discuss possible development of a Drought Management Rule that would replace the current Rules for Outdoor Water Use (391-3-30) and the 2003 Drought Management Plan.

At the July 15, 2014 meeting, stakeholders were invited to send EPD written comments on the proposal discussed at the meeting by August 5, 2014. At the request of stakeholders, the deadline for submittal of comments was extended to August 19, 2014.

The purpose of this notice is to announce that all comments submitted by stakeholders to date have been posted to EPD's website and are now available for viewing and downloading at:
