Dear Mr. Capp:

The U.S. Environmental Protection Agency Region 4, has completed its review of the Georgia Environmental Protection Division's Final 2016 Clean Water Act (CWA) section 303(d) list of water quality limited segments. The EPA hereby approves the State of Georgia's decision to include each of the waters designated by the State in its 2016 303(d) list. Enclosed for your information is the accompanying decision document for this approval action.
