INSPECTOR/RISK ASSESSOR CONDUCTING PRE-ABATEMENT SURVEY

Name Will This Person Also Conduct the Clearance Inspection?

GA Certification # Exp. Date Copy of Inspection Report Attached?

Georgia Rule Requires That A Written Site Specific Occupant Protection Plan Be Developed For **All** Abatement Projects And That It Must Be Available At The Abatement Project Site For Review By EPD.

THIS RULE APPLIES EVEN IF THE WORK IS BEING CONDUCTED IN A VACANT RESIDENCE.

The Occupant Protection Plan Must Be Developed By A Georgia Certified Lead Supervisor For Projects Less Than 5 Units, Or By A Georgia Certified Project Designer For Projects With 5 Or More Units.

PROVIDE INFORMATION ON THE PERSON WHO PREPARED THE OCCUPANT PROTECTON PLAN:

Supervisor/Designer Name GA Certification # Exp. Date

CERTIFICATION OF INFORMATION

By signing below, you attest to the following:

- 1 - Only currently Georgia Certified persons will be employed to conduct regulated activities associated with this project.
- 2 - A Georgia Certified Lead Supervisor will be on-site at all times when abatement work including job site preparation is being conducted.
- 3 - Falsifying or knowing omission of information required as part of this Notice to Proceed application is grounds for application refusal and/or license suspension or revocation.
- 4 - Submitting an incomplete or untimely application may result in a delay of the project start date.
- 5 - All work will be conducted in accordance with industry-standard abatement work practices and in compliance with state & federal rules.
- 6 - **Work may not commence on this project until a Notice to Proceed has been issued and is in your possession.**

Sign Before Mailing: _____ Application Date

Submitting your application is a two part process. First, click the PRINT button below twice to print and sign two copies of the form. Send one signed copy and the check or money order for the application fee to:
