A legal description of the Property is attached as Exhibit A and a map of the Property is attached as Exhibit B.

### **Environmental Covenant Runs with the Land and is Perpetual**

Pursuant to the Act, this Environmental Covenant shall run with the land and shall be perpetual unless terminated or amended pursuant to terms herein or in accordance with provisions of the Act. This Environmental Covenant shall be binding upon Signal Energy Holdings Company, LLC, the Environmental Protection Division of the Department of Natural Resources of the State of Georgia, and all successors, assigns and transferees of any interest in the Property or any portion thereof.

### **Administrative Records**

This Environmental Covenant imposes activity and/or use limitations and other requirements on the Property that arise under corrective action performed and/or being performed at the Signal Energy facility/site. Records pertaining to this corrective action are available at the following EPD location(s):

Georgia Environmental Protection Division  
Hazardous Waste Corrective Action Program  
Land Protection Branch  
Monday-Friday 8:00 AM to 4:30 PM, excluding state holidays

**Activity and Use Limitations.** The Property is subject to the following activity and/or use limitations:

- A. Real Property. The Property shall be used only as non-residential property as defined in Rule 391-3-19-.02(2)(r).
- B. Groundwater. The use or extraction of groundwater beneath the Property for drinking water or other potable uses shall be prohibited. The use or extraction of groundwater for any other purpose besides site characterization is prohibited unless conducted under a plan approved in writing by EPD.

**Other Requirements.** The Property is subject to the following additional requirements.

- A. Notice of Limitations and Requirements in Future Conveyances. Each instrument hereafter conveying any interest in the Property or any portion thereof that may affect the activity and use limitations described herein shall include a statement that the Property is subject to this Environmental Covenant (and any amendments thereto), the location (County, Deed Book and Page) in the deed records where this Environmental Covenant (and any amendments thereto) is recorded and a copy of this Environmental Covenant (and any amendments thereto).
- B. Notice to EPD of Future Conveyances. Within thirty (30) days after each conveyance of a fee simple interest in the Property or any portion thereof, a notice shall be sent to EPD. The notice shall include the new owner's name, address, telephone number and other pertinent contact information, the date of the conveyance and the location (County, Deed Book and Page) where the conveyance is recorded, and, if the conveyance is a portion of the Property, a survey map showing the boundaries of the real property conveyed.
- C. Notice of Change of Use. If such activity will materially affect any required monitoring or maintenance of any institutional or engineering controls described herein, the owner of the Property must provide to EPD thirty (30) days' advance written notice of the owner's intent to change the use of the Property, to apply for a building permit for construction at the Property, or to perform any site work.

**Environmental Covenant Does Not Authorize Use Otherwise Prohibited**

Pursuant to the Act, this Environmental Covenant shall not be construed to authorize a use of the Property that is otherwise prohibited by zoning, ordinance, local law or general law or by a recorded instrument that has priority over this Environmental Covenant.

**Rights of Access and Enforcement**

Authorized representatives of EPD shall have the right to enter the Property at reasonable times in connection with implementation, compliance, or enforcement of this Environmental Covenant, including but not limited to the right to conduct inspections, examine related records, or to take samples.

This Environmental Covenant shall be enforceable by EPD and other parties as provided in the Act. Such rights of access and enforcement herein shall not limit EPD's authority under other applicable law.

**No Interest in Real Property in EPD**

EPD's rights under this Environmental Covenant and the Act shall not be considered an interest in real property.

## **Recording of Environmental Covenant and Service on Other Persons**

Within thirty (30) days after execution of this Environmental Covenant by the Director of EPD, Signal Energy Holdings Company, LLC shall record the Environmental Covenant in every county in which any portion of the Property is located in accordance with the law governing the recording and priority of interests in real property. Upon recording of the Environmental Covenant, Signal Energy Holdings Company, LLC shall provide in a manner deemed acceptable by EPD a copy of the executed, recorded Environmental Covenant to each of the persons or entities identified in O.C.G.A. § 44-16-7.

**Representations and Warranties by Grantor(s).** Signal Energy Holdings Company, LLC represents and warrants that all of the following are true and correct:

- A. Signal Energy Holdings Company, LLC, f/k/a Young Refining Corporation, holds fee simple title to the Property.
- B. Signal Energy Holdings Company, LLC has the authority to enter into this Environmental Covenant, has the authority to grant any rights granted by it within, has the ability to carry out the obligations described within and, based upon information and belief after reasonable inquiry, does not know of any anticipated material change in the practices, ownership, or authority of Signal Energy Holdings Company, LLC that will alter this representation and warranty.
- C. The execution and delivery of this Environmental Covenant and carrying out the obligations described within will not conflict with any of the provisions of the organizational documents, operating agreement of Signal Energy Holdings Company, LLC nor will it violate, contravene and/or constitute a breach or default under any agreement, contract, order or instrument to which Signal Energy Holdings Company, LLC is a party or by which Signal Energy Holdings Company, LLC may be bound.
- D. Signal Energy Holdings Company, LLC has identified all persons with existing interests other than fee simple in the Property and has determined the type and status of their interests; for those interests where the type and/or status make it necessary, the person's agreement to and signature on this Environmental Covenant or subordination of the interest has been obtained; and the aforementioned information regarding all interests other than fee simple in the Property has been provided to EPD.
- E. This Environmental Covenant does not authorize a use of the Property that is otherwise prohibited by zoning, ordinance, local law or general law or by a recorded instrument that has priority over this Environmental Covenant.
- F. At least thirty (30) days prior to presenting this Environmental Covenant to EPD for execution, Signal Energy Holdings Company, LLC served a copy of the proposed final text of this Environmental Covenant on all persons or entities required to be noticed in accordance with O.C.G.A. § 44-16-7.

### **Submission of Required Documents and Communications**

Documents and communications required by this Environmental Covenant shall be submitted to:
