

NOTIFICATION OF COMPLIANCE STATUS FOR DRYCLEANERS USING PERCHLOROETHYLENE

40 CFR Part 63 Subpart M

Perchloroethylene Air Emission Standards for Dry Cleaning Facilities

40 CFR Part 63 Subpart M applies to all dry cleaning facilities that use perchloroethylene (PCE). The original regulation was published in the Federal Register on September 22, 1993, amended on July 27, 2006 and September 21, 2006 and adopted by reference in Chapter 391-3-1-.02(9)(b)(27) of the *Georgia Rules for Air Quality Control*. The amended regulation requires all dry cleaning facilities using PCE to submit this Notification of Compliance Status (NOCS) form to the Georgia Environmental Protection Division and to the U.S. Environmental Protection Agency Region 4 or before **July 28, 2008**. Dry cleaning facilities that begin operations after July 28, 2008 must submit this NOCS form within thirty (30) days of the facility startup date. As defined in the regulation, the term *dry cleaning facility* means an establishment with one or more dry cleaning systems, and a *dry cleaning system* means a dry cleaning machine and its ancillary equipment.

1. Dry Cleaning Facility Location Information

Facility Name: _____

Street Address: _____ County: _____

City: _____ State: _____ Zip Code: _____

2. Dry Cleaning Facility Owner-Operator Information

Legal Business
Owner Name: _____

Mailing Address: _____

City: _____ State: _____ Zip Code: _____

On Site Facility
Contact Name: _____ Phone: _____

Contact Title: _____ Email: _____

3. Dry Cleaning Facility Site Location & PCE Usage

- a. Is your dry cleaning facility located in a building with a residence, even if the residence is vacant at the time of notification? Yes No
- b. Is your dry cleaning facility located in a building with no other tenants, leased space, or owner occupants (i.e., a free-standing building)? Yes No
- c. Is your dry cleaning facility considered an Area Source or Major Source of Hazardous Air Pollutants? Area Source Major Source
- (Area Sources use less than 2,100 gallons of PCE per twelve (12) consecutive months; Major Sources use greater than or equal to 2,100 gallons per twelve (12) consecutive months)*
- d. Indicate the total amount of PCE you purchased over the past twelve (12) months: _____ gallons
- e. Is your dry cleaning facility in compliance with each applicable requirement of §63.322 of the federal regulatory standard? Yes No
(Please refer to the Operational Standards guidance document)

5. Compliance Certification Statement

Under penalty of law, I do certify that my facility is in compliance with all of the applicable requirements of 40 CFR Part 63, Subpart M. I further certify that the information submitted is, to the best of my knowledge and belief, true, accurate, and complete.

Signature of Owner-Operator
