Recognition for the Environmental Protection Division Brownfield Program

On October 3, 2016, EPD's Brownfield Program was honored as a 2016 Finalist for the Atlanta E3 Awards in the Clean Tech Innovation category. Sponsored by the Metro Atlanta Chamber, the Atlanta E3 Awards recognize companies, organizations and individuals working to conserve metro Atlanta's natural resources, develop clean technologies to enhance our economy and environment, support sustainable projects and initiatives and to collaborate on solutions through university connections, marketing and education.
