Re: Delisting of Gwinnett County Tax Parcel 6142 317
Banks Sub-Listed Property
Crymes Landfill Site, HSI No. 10292
Tucker, Gwinnett County, Georgia

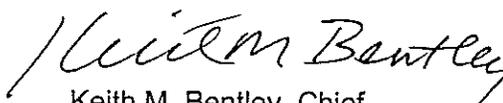

Dear Mr. Banks:

The Georgia Environmental Protection Division (EPD) has completed its review of the "Request for Delisting" letter dated April 28, 2009, supplemental laboratory analytical data submitted June 10, 2009, and the Uniform Environmental Covenant (UEC) submitted June 5, 2012 for the above-referenced tax parcel. On August 10, 2009, EPD concurred with your certification of compliance that the above-referenced property is in compliance with residential risk reduction standards (RRS) for soil and non-residential RRS for groundwater. The UEC has been executed in order to maintain compliance with non-residential RRS. Therefore, in accordance with Section 391-3-19-.05(4)(b) of the Rules, the Banks Property, identified as Gwinnett County Tax Parcel 6142 317, will be removed from the Hazardous Site Inventory (HSI) as of the date of this letter, and will not appear in any future HSI publication.

This delisting addresses releases on your property solely attributable to the adjacent Crymes Landfill. You must submit a non-residential land-use certification annually for Tax Parcel 6142 317, as specified in the Corrective Action Plan and Long Term Use and Monitoring Plan dated November 15, 2010. The certifications must be submitted by December 31st of each calendar year until such time that groundwater at the property meets residential cleanup standards.

As required by Rule 391-3-19-.06(5)(f), a notice announcing this determination shall be published in the *Gwinnett Daily Post*. Please direct any questions you may have to Ms. Antonia Beavers of the Response and Remediation Program at (404) 657-8600.

Sincerely,

Keith M. Bentley, Chief
Land Protection Branch
