CONTACT
NAME & TITLE: _____

OWNER CONTACT
PHONE & EMAIL: _____

II. Facility Information

NAME OF FACILITY PRODUCING DISCHARGE: _____

STREET/LOCATION ADDRESS: _____

CITY: _____ COUNTY: _____ ZIP CODE: _____

MAILING ADDRESS: _____ CITY: _____ STATE: _____ ZIP CODE: _____

FACILITY CONTACT: Name: _____ Phone: _____

Title: _____ Email: _____

Attach a map showing the location of the facility and the discharge.

List the latitude and longitude to the nearest 15 seconds for the treatment facility location and indicate whether this is the location of the mailbox, facility office or facility centroid.

_____ Mailbox _____ Office _____ Facility Centroid

LATITUDE			LONGITUDE		
Deg.	Min.	Sec.	Deg.	Min.	Sec.

III. Description of facility and activity information

A. Brief description of wastewater treatment process (attach a process flow chart if available):

B. Receiving Water(s) Information:

Number of separate discharge points: _____

Name of receiving water or waters: _____

List the latitude and longitude to the nearest 15 seconds for the discharge:

LATITUDE			LONGITUDE		
Deg.	Min.	Sec.	Deg.	Min.	Sec.

Type of waste: ___ Sanitary ___ Restaurant ___ Other Nonprocess

Method of sludge disposal and treatment: _____

Is sludge disposal area located in flood plain or subject to flooding? _____

Comments: _____

C. Additional Information:

Design flow (monthly average) of facility _____ MGD

How much does your facility discharge per operating day?

(Flow MGD): a. Average: _____ b. Maximum: _____

D. Trust Indenture

Non-governmentally owned wastewater treatment systems should execute a trust indenture with a local government body or other trustee approved by the Division. This trust indenture must assure continuity of operation of the facility in the event of operational or financial default by the owner.

Upon submittal of the notice of intent for coverage under this general permit, the permittee will be required to submit one of the following:

Is there a Trust Indenture in place for this facility?

1. Yes ____ Owners of systems which already have an executed trust indenture are required to submit a copy of the trust indenture along with the NOI.

2. No ____ Owners of systems which do not have a trust indenture are to submit either a schedule for obtaining a trust indenture, along with information regarding the intended trustee, or a status regarding the owner's ability to enter into a trust indenture.

IV. Certification

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gathered and evaluated the information submitted. Based upon my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.

Printed Name: _____ Date: _____
