Georgia Certified Lead Firms for Lead Abatement, Lead Inspections, and Lead Risk Assessments (as of July 1, 2012)

This list is provided as a service to persons looking for licensed lead contractors and individuals. They are not meant to advertise or endorse any of the listed firms and individuals. The list is updated approximately every six (6) months; therefore, it is important to request proof of current licenses from any persons or firms before hiring them to perform inspections or abatement work.
